## **NOTICE OF A RATE INCREASE – EFFECTIVE SEPTEMBER 1, 2023**

**July 6, 2023**

Dear APS Client:

APS was established in 2012 and since that time we have never increased our rates even once.

However, following a review process that considered all of the efforts we have made to provide quality services, it is time to update our fees to be more in line with present circumstances.

Therefore, effective September 1<sup>st</sup>, 2023, we will be increasing our rates for all services by an average of **15 percent**.

The following chart shows what we have previously charged and what our new billable rates will be. Please note that each insurance company will respond differently to the increase as we have contractual rates of reimbursement. As a result, this increase may not affect your out-of-pocket costs with some insurances, yet the increase may be experienced by others.

If you have any questions, please reach out to Steve Johnson, Director of APS, at 715-544-4435, ext. 1, or at [steve@advocatepsychservices.com](mailto:steve@advocatepsychservices.com).

Thank you,

APS Staff
