We Are Moving September 1st, 2026

Our new office will be located in Park Ridge at: **41 Park Ridge Drive in Stevens Point, 54481.**

Here is a link to the exact location:

https://maps.app.goo.gl/SLhVUfy9i9tK2pXJ6?g_st=ac

We will be closed from Friday, August 28th, through Monday, August 31st for the move. The first day for clients to be seen is Tuesday, September 1st.

We do not anticipate any delays or problems, but we will communicate if we run into anything. **A smooth transition is desired, but plan B is for virtual appointments should any delays to our opening day occur.** That way, any completed space that is available to us can be used by your therapist and you can still have your session - but from the comfort of your own home or office instead.

Once we are moved in, we will fine tune the space to work for our needs, so please pardon us for any final issues as the building comes together.

If you have any questions about what to expect, please contact your therapist, or you can reach us at office@advocatepsychotherapyservices.com or 715-544-4435, extension 4.

Thank you,

APS Staff
